[Mark Paul](#), Managing Partner, Synergy Consulting Group, LLC

Do you have a great idea? Have you developed a new technology that everyone should buy? Are you looking for investment money to build a company? Or corporate approval & funding for your new project? Have you been struggling to get your company or idea off the ground; or trouble building sales?

Long-time entrepreneur, executive and author, Mark Paul will uncover the reasons why start-ups and major corporate initiatives fail, and what you can do about it! What every entre/intrapreneur needs to know before starting a company.

You will also have a chance to win a copy of his book, The Entrepreneur's Survival Guide.
